JOINT NOTE INTERMINISTERIAL N° 651

Updating the list of countries affected by ebola virus disease and strengthening the implementation of health measures at borders.

Reference : Interministerial Memorandum n° 569 of august 19, 2026, regarding the strengthening of sanitary measures at borders to prevent the introduction of Ebola virus disease into Madagascar.

In Light of developpements in the international epidemiological situation regarding Ebola virus disease, the list of countries subject to the health measures set out in Internministerial note n°569 has been updated as follows :

- The democratic republic of the Congo (DRC)
- The Kenya ;
- The Nigeria.

With regard to the Democratie Republic of the Congo (DRC), the measures implemented since August 19, 2026, remain in force and continue to apply. For Kenya and Nigeria, these measures take effect as of the date of signature of this note.

The List if countries concerned will be updated in light of developments in the epidemiological situation, The health measures applicable to travelers arriving from each country remain in effect in our country until further notice, unless otherwise specified by the competent authorities

Any failure to comply with the provisions of this memorandum-including, in particular, any violation of the prescribed measures or any false declaration-shall render the individual responsible liable to the sanctions provided for under current regulations. The relevant departements are required to ensure strict adherence to the provisions, and, within the scope of their respective remits, to take all appropriate measures should any non-compliance be identified.

The services responsible for health controls at the borders, the Boder Police (PAF), the relevant air and maritime transport authorities, territorial health and administrative authorities, and all other concerned entities are each, within their respective spheres of responsibility, tasked with the implementation of this memorandum.

All other provisions of Interministerial note n° 569 remain unchanged and continue to have full effect. This note enters into force as of the date of its signature.
